AVOCADO OIL

Avocado or avocado oil is a natural vegetable oil, rich in nutrients, obtained from strictly selected avocados, complying with our quality standards.

This oil is obtained from the cold pressing of its ripe pulp. In this way, a high-quality oil is obtained, rich in flavor and nutrients that has a slight greenish color. Rich in omega 3,6 and 9, with vitamin C and antioxidants. It is used for home consumption and in the cosmetics industry for its multiple benefits.
